

INTERNATIONAL CALL FOR PIRANESI EXHIBITION 2011

- The purpose of the call for applications is the selection of realized architectural works, which will compete for the **2011 Piranesi Award** at the Piranesi international architectural exhibition, organized within the context of Piran Days of Architecture 2011.
- Architectural creations that were completed in 2009, 2010 and 2011 may be proposed for the call for applications.
- Proposals should be reasoned and presented in a way that enables the most faithful presentation of architectural creations, in pdf format:
 - Maximum size of the presented material is A3 format, max. 5 sheets.
 - Situation, typical groundplan and cross-section should be shown.
 - A minimum of two photographs must show the project in the wider context in which it is located.
 - In the case of an annex or superstructure extension to a building, a minimum of two photographs must show the contact between the existing and the new building.
 - The project must be presented by a minimum of 3 photographs.
- The proposal should contain:
 - the name of the author or group of authors
 - the name of the project, location and year of realization
 - the name of the photographer
 - the name of the contact person, e-mail address and mobile telephone number
- **The deadline** for delivery of proposals is **26.9.2011**. Send them to the e-mail address of your national selector in pdf format.
- Your national selector will make a selection of five projects by **4.10.2011**, which will be exhibited in November 2011 at the Piranesi 2011 international architectural exhibition. The selector also has the right to add his/her own proposals.
- The chosen architects will be informed of the selection not later than **7.10.2011**.
- The chosen architects will have to prepare, print and send an exhibition poster and CD with high resolution photographs (jpg) and text description of the project to Obalne galerije Piran **by 15.11.2011**. Exact information and instructions for the preparation of the exhibition panel will be sent to the e-mail address of the contact person by **7.10.2011**.

Selection criteria

- Considered setting in an urban or natural space
- Contemporary innovative spatial plan and layout
- Respectful approach to the natural and cultural heritage
- Contemporary understanding of traditional and autochthonous architectural elements
- Innovative details
- Considered use of color, materials, texture and light
- Spatial and design accordance with the context
